CCA - 1625: Arty reaction to our tk fire is coming as far back as 1/315 posns approx 50 rds per ea of 3 Co areas.

94 - 1630: Inf reports to a 94th patrol: 50 man ey patrol 202311.

ISUM to 191800: 1825 - Ey attk on HATTEN with Inf and tanks at start of period made slight gains diminished by 1530A. Since then, only intermittent mortar, flat trajectory arty from ridge N of town, med arty from direction of BUHL, sniping in E part of town. Ey continued very sensitive to advances in RITTERSHOFFEN, replied to our tank fire with intense HV, gun fire from woods N of town. Ey moved out of church but retained strongpoint in adjacent building. (Sent to VI Corps)

CCA - ISUM as of 191800A: Ey resistance continues stiff in RITTERSHOFFEN. Ey arty reaction to our Tk gun fire consisted of approx 150 rds of 1t arty which was about 25 min in coming. High velocity gun fire recd from the woods NW of RITTERSHOFFEN on our tks. Ey continues very sensitive to our advances in RITTERSHOFFEN. His moving out of the church had no effect on the strongpoint located there. He occupied a large brick building in the rear of the church.

CCR - ISUM AS OF 191800A: High velocity fire falling on HATTEN. Med Arty fire coming from direction of BUHL. Ey gained a little in c/a today.

Formosa fired on the following targets today: Bridge at 189347 and demolished the approaches. Pillbox OP on hill #160 at 178343 with 240mm. No direct hits were scored. 4 rds destroyed 4 trucks. This pillbox is armed with an AT gun in a 360 degree revolving turret. The guard changes at 1050A. Appears on photo #4111.

CCR - 1910: At 1630, friendly Inf to the S of 94 reported a 50 man ey patrol at 202311. At 1800, we observed large puffs of black smoke NE of the church in HATTEN. At 1900 there was MG fire coming from HATTEN to the SW. AT guns in the southern tip of RITTERSHOFFEN centinue to fire on our tks and armored vehicles in spite of hvy shelling by ourarty and tks. There is a definite increase in ey arty and mortar fire on our troops in HATTEN. HV fire from the ridge N of HATTEN continues. Some SA fire S of HATTEN near the RR station being directed at our OP at R-161338.
